Biography

Aska is a community pharmacist, currently providing clinical services in a home care setting. Aska is a 2012 graduate of University of Waterloo, School of Pharmacy, and completed her Doctor of Pharmacy degree from the same in 2016. Aska brings diverse insights and pharmacy experiences which include work experiences in community, hospital, home care, and government settings. With a passion to make pharmacists an essential part of healthcare, Aska's advocacy efforts focus on expanding scope of practice, reimbursement and provider status, and an inclusive workplace for all. Aska serves as a member of the OPA Pharmacists Practice Committee and the Diversity Taskforce, and participates on various other committees at organizations such as the International Pharmaceutical Federation (FIP) and Ontario Health.
