To purchase an account which will allow you to manage your pharmacy services such as COVID vaccination bookings, click the **“Purchase Here”** button under the **Unlimited Vaccinations and Patient Relationship Management Platform** heading.

You will now be able to enter in your payment information.

STEP 5: To apply the OPA code:

1. From the drop down menu, select your pharmacy province.
2. Enter the OPA code **OPAME75** in the Promo code box located on the right. Click the yellow **“Add”** button.

3. Once clicked, you will be able to enter your **OPA Member Number**
Note: You now have a clear breakdown of the price being \$35 for the months of March and April. After that, you get the special OPA benefit pricing of \$75 a month. This

includes unlimited appointments and all communication and server costs. If you sign up after April, you will still get the \$75/month benefit.

4. Finally, click the “**Purchase Now**” button.

Note: This price is inclusive of all fees, communication and server costs. There are also NO limits to how many appointments you book, how many services you offer (flu shots, med reviews, etc). This is an all-inclusive pricing, with no surprises.
